Descrizione

The GG900C delivers the full professional package — Kubota 15 HP engine, heated cabin, movable arm, and expandable tracks at 1000 kg. It's built for operators who spend long hours in challenging conditions and need both comfort and performance. The enclosed heated cabin shields against cold and rain, while the movable arm and expandable tracks maximize versatility. Ideal for year-round contractors and municipal operations handling drainage, utility, and landscaping work.
