Capacità serbatoio olio	1.7 L
Numero di cilindri	2 pcs
Interasse	64 cm
Motore	Briggs Stratton
Carburante	Petrol .
Ruote	18×8.50-8 .
Fuel Tank volume	20 L
Hydraulic oil tank capacity	25 L

Descrizione

The GG04G is the tracked version of the GG04, offering superior traction and stability on soft, muddy, or uneven terrain. At 800 kg with 400 kg load capacity and a Briggs & Stratton 17 kW engine, it goes where wheeled machines struggle. Ideal for operators working on wet ground, slopes, sandy soil, or rough terrain — farmers, forestry workers, and contractors who need reliable grip and stability in challenging ground conditions.
